

CH32V307 - No need to mount  
STM32F405 - No need to mount  
STM32F446 - Required (VCAP\_1)  
STM32F730 - Required (VCAP\_1)

**NOTE!!**  
Designed for CH32V307, but STM32F405/STM32F407, STM32F446 & STM32F730 should be possible to use, although some pins (pin 25-31) are on different locations, such as PC5 doesn't exist and PB0, PB1, PB2, PB10, PB11 shifted one pin down.
